

EDITORIAL

Dear Academicians and Researchers,

As of April 11th, 2012 according to Law No. 6287, the name of Zonguldak Karaelmas University has been changed to Bülent Ecevit University. Hereafter Journal of Higher Education and Science, will continue to its broadcast life as the official publication of Bülent Ecevit University.

With this April 2012 issue we have started the second year of our publication life. This issue includes studies on the fuzzy philosophy of science, Bologna process in higher education, contributions of foreign scientists and foreign students in our higher education system, encountered difficulties of female research assistants at domestic and business life in Turkey, education of ethics, intercultural differences in behaviour of the higher education administrators, and disabled students in higher education.

I am proud to announce that our journal is indexed by EBSCO, NewJour, and Akademia Social Sciences Index (ASOS index). Procedures for registration to other databases and evaluation processes are in progress.

I wish to thank to all who contributed a lot of effort in accomplishing the current journal standards, and to authors.

With my best wishes,

Professor Şükrü Oğuz ÖZDAMAR, M.D.
